

## STATEMENT OF DESIGN AUTHENTICITY

We,

Team Name :

Institution / College :

Address :

Certify that the product design named, \_\_\_\_\_

\_\_\_\_\_ which we have submitted to the committee of Challenge On Product Design and Ergonomics 2017 (CHRONICS 2017) is our original brainchild on design and not the result of any plagiarism.

If it turns out that our product design proved as a plagiarism product, as the infringer we are willing to be automatically expelled from the competition and will be subjected to legal proceedings based on the laws and regulation of the host country (Indonesia). In addition, if the committee find that any information provided by the team are not valid, the committee will automatically reject the mini proposal or disqualify the team from the competition.

By completing and signing the statement of authenticity, we are reminded that we have agreed to the above terms and we will have to free committee from any future indemnity claim. We make this letter in order to be used properly.
